

Petitioners Sierra Club and Gulf Restoration Network hereby file this motion to modify Petitioners' previously-proposed briefing schedule. Movant-Intervenors Cameron LNG, LLC and Cameron Interstate Pipeline state that they do not consent to this motion. Movant-Intervenor American Petroleum Institute states that it takes no position on this motion. Respondent Federal Energy Regulatory

Commission had not responded to Petitioners' inquiry regarding this motion at the time of this filing.

Petitioners propose the following changes to the previously-proposed schedule:

	Previously Proposed Date	Newly Requested Date
Petitioners' Opening Brief	Jan. 16, 2015	Feb. 20, 2015
FERC's Brief	Mar. 24, 2015	Apr. 21, 2015
Intervenors' Briefs	Apr. 14, 2015	May 21, 2015
Petitioners' Reply Brief	May 14, 2015	June 22, 2015
Joint Appendix	May 21, 2015	June 29, 2015
Final Briefs	May 28, 2015	July 8, 2015

This brief extension is warranted in light of Respondent Federal Energy Regulatory Commission's pending motion for summary affirmance in part and dismissal in part. The Commission's reply brief in support of the pending motion was filed on December 19, 2014. Because of the Christmas and New Year's holidays, Petitioners assume that the Court is unlikely to act on the Commission's motion until January 2015. Because Petitioners would be assisted by giving the

Court an opportunity to resolve the Commission's motion prior to completion of Petitioners' merits brief, Petitioners propose the above changes.
